ABOUT THE EVENT

Our Trunk Sale is a Community Yard Sale, Flea Market, Swap Meet

A trunk sale is a type of market where individuals come together to sell used household and garden goods. The idea of a trunk sale is that people will be selling items from the car's trunk. There is typically a small portion of professional sellers that will sell new product.

There are 165,000 yard sale type events in the United States weekly. It is estimated that 690,000 people purchase something at those sales. These bring in \$4,222,375 of revenue each week.

This is our 4th annual year hosting this event. In 2023 we had about 400 people attend. Vendors were happy with the event and were able to sell a lot of their items. They asked if we could do more shows like this over the spring/summer. We plan to continue to grow the event to a large capacity where people save their items throughout the year and plan to attend the event to sell them at the event.

THINGS YOU SHOULD KNOW

If you plan to have a booth at the event

We want you to be where the people are and the people want to be outside! The event is located in our east parking lot which becomes the perfect location for people to pull in, open their trunks and sell their items. We have additionally expanded the event to our neighboring parking lot at City Hall. The parking lot typically has vendors and we have a few select locations for sponsors. If you are interested in a certain location—please let me know.

When you apply to be a Sponsor at the Trunk Sale, and you plan on having a booth at the event, you will receive a vendor kit. This kit comes in your email one (1) week prior to the event and will include everything you need to know about your spot at the Trunk Sale.

But for those who are wondering:

Load in is May 18th, 7:00 AM

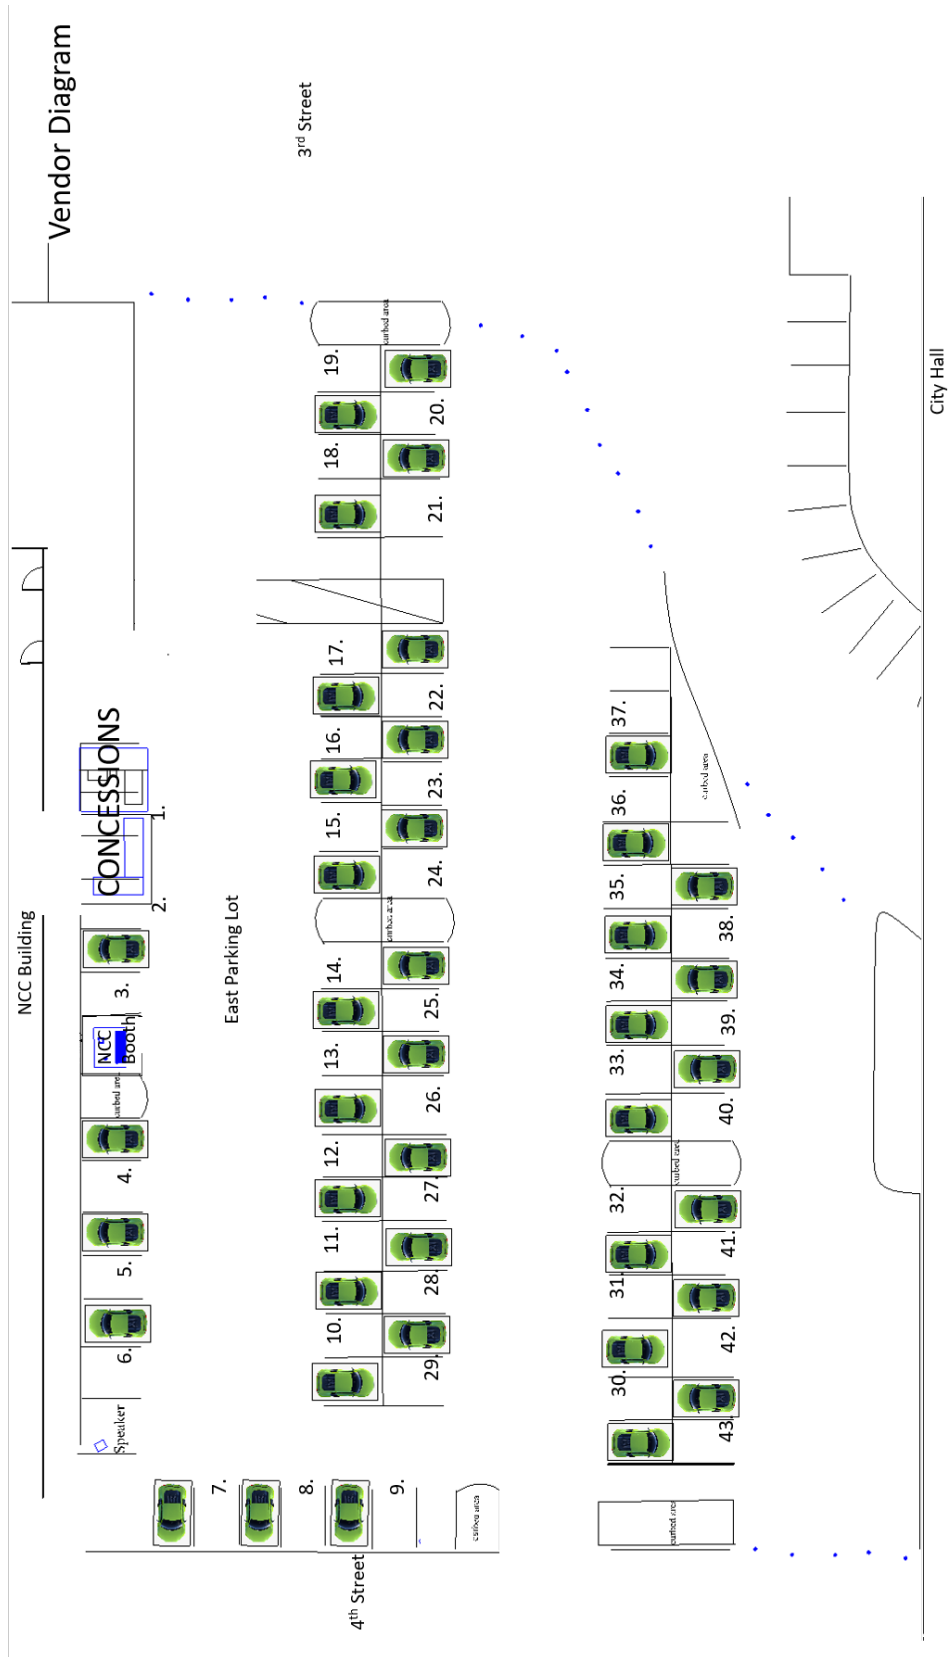

You must bring one vehicle to park in your space with an open trunk. If you plan to also bring a popup tent, you may require an additional spot, please let Roseanna know. Early tear down is not allowed.

This is a great outdoor event! This event happens rain or shine.
